

Tween Summer Series * Thursdays, at 1:00 p.m. * ages 10 - 13

June 16 - **Treasure Hunt at the Library:** solve riddles, find clues & work your way across the seven seas in search of treasure.

June 23 - **Beach Art:** kick back & relax with beach music and fun beach art projects including a Hawaiian Lei, sand art, and more.

June 30 - **Shark Week:** enjoy everything sharks, activities, art projects, and more.

July 7 - **Fishing at Lake Anna:** drop by and fish for a bit. We will provide everything you need and have some instructors with the Barberton Parks & Rec on hand to help our first-timers.

July 14 - **Ocean Explorer:** the ocean is a mysterious place, join us as we dive in and explore marine life, ecosystems, geography, conservation, and even the ships that travel the ocean with a variety of art projects & experiments.

July 21 - **Black & Blue Oceans with Mad Science:** led by Mad Science of Northeast Ohio we will devise and test techniques to handle the aftermath of an oil spill, in an oil spill simulation, and discuss how to clean up and prevent the pollution that plagues our oceans.

July 28 - **Tie-Dye Party:** Shirts will be provided (while supplies last) or bring your own items to tie-dye (limit 3). We'll be out on the front lawn of the Library enjoying the sun and creating far-out fashion!
